

Online paid Webcam consultations

Online ordering and payment of products via webshops has taken a huge flight. Services are also increasingly ordered and paid online. Since April 2018 it is possible to offer webcam consultations via our platform against online payment, both on appointment and walk-in hours via your website.

You can offer paid consultations within a few minutes:

1. Rates for your consultations

Tariefinstellingen		
Beschrijving	Prijs	Valuta
basisgesprek	15	EUR
pro gesprek	45	EUR
erg lang dieptegesprek	100	EUR

In the Dashboard menu you can set rates for different types of consultations that you can offer via an appointment mail or on your site as a walk-in hours through a widget.

2. Set up sales tax %

You decide The VAT percentages that apply, depending on whether your customers order for business or private and from which country they originate.

3. Set Payment Account

The final step is to set up the account you have with your Payment Provider. First, the link to Paypal is offered, the largest international Payment Provider in the world. If you have an account than Simply enter the email address that is connected to your Paypal Account.

If you do not have an account yet, you can easily start one at PayPal.com. Tour clients can pay online with their own Paypal Account but also (as guest) with credit card.

4. Linking consultations to payments

For every appointment you can decide whether it is a paid service and choose which rate applies. For walk-in widgets, you can set the rate for the relevant walk-in hours on your website. Your clients will be asked to pay online before they can enter your digital waiting room.
